

Please join the Black Frog Robotics Team 6134 as we collect mittens for those in need. Please bring **NEW GLOVES OR MITTENS** to The **Light the Lights** event on November 17th from 6-9pm at Twelve Mile Crossing at Fountain Walk!

Help us *warm hearts, two hands at a time!*

Mittens are distributed to kids and adults in need in Detroit, Highland Park and Hamtramck. For more information, please go to **MittensForDetroit.org**.

Monetary donations will also be gratefully accepted. All donated funds will be used to purchase mittens and gloves through MFD partners. Donations are tax-deductible.
